

Join in the Fun and Get in the Game! Register Now!

This spring, boys and girls, ages 5-18, will have an opportunity to participate in a five week USTA Jr. Team Tennis program. This after school program will allow students to learn the game, improve their skills, play the game, and have a great time with their peers. Participants will enjoy a safe, healthful activity in a sport that can be enjoyed for a lifetime.

Groups will be organized by matching players of similar age and ability. They will participate in one of four Divisions: QuickStart Tennis (10 & Under, 8 & Under), the Stars Division (ages 11 & 12), or the Stripes Division (MS/HS girls). Boys, in grades 7-12, can participate on the boys' varsity tennis team (Spring season).

The **QuickStart Tennis Divisions** are for youth 5 to 10 years of age (Grades K – 4). This exciting new play format is designed to bring kids into the game by utilizing specialized equipment, shorter court dimensions and modified scoring, all tailored to age and size. This format allows them to start playing almost immediately - even if they've never held a racquet before. Parent volunteers are needed for assistance. Students can meet in the elementary gym after school, eat a snack from home, and walk to the tennis courts with Mr. Muus.

The **Stars Division** is designed for players (ages 11-12), playing at a beginner or advanced beginner level. The **Stripes Division** is designed for older (ages 13-18) girls interested in playing on the girls' varsity tennis team, in the Fall.

Players will have practice each week, when skills are taught by a tennis instructor, and they will also compete each week in a match within their age and/or skill division, or play some fun game-type activities. Everyone who registers will play! Some racquets will be available for free use during practices and matches.
